# Employment

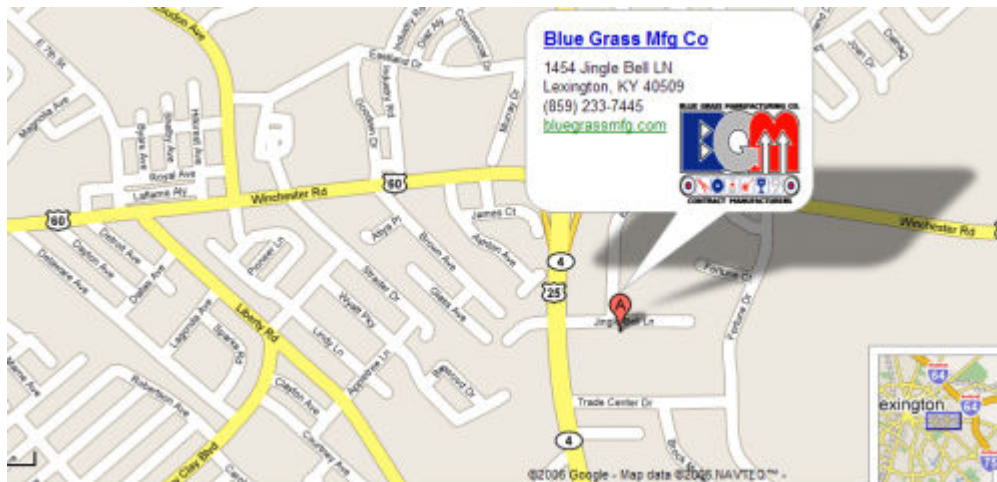

Blue Grass Manufacturing Company operating as a contract manufacturer requires a flexible work force that has many varied skills.

We are almost always looking for accomplished and experienced CNC machinists and support personnel such as programmers, estimators, fixture makers, process developers and CAD / CAM specialists.

We regularly are looking for toolmakers, welders, assemblers, material handlers, quality technicians, and persons with supervisory experience. We welcome applications from all persons regardless of their race, creed, or religion. Please note any other special skills, education or languages you might possess that would be useful to the company.

We offer wages and benefits that are competitive with our peers in the contract manufacturing industry. In addition, we have a number of recognitions, rewards and incentives for the employees that meet our operating objectives on a consistent basis.

Please email your resume and letter of introduction to [employment@bluegrassmfg.com](mailto:employment@bluegrassmfg.com) or fax it to 859 233 0081 or you may mail it to our offices or just drop by and fill out an application.
