# Blue Grass Manufacturing Works for You!

It is the Mission of Blue Grass Manufacturing to provide:

## THE TRIPLE WIN

First, for our CUSTOMERS, we want to make certain they receive a fair value for their money by producing products that meet or exceed their specifications, which are delivered on time. We expect our employees to continually improve their product's manufacturability, quality, and cost while also improving our working relationship.

Second, for our EMPLOYEES, Blue Grass Manufacturing strives to be a good place to work, a work place in which employees can enjoy and take pride in what they do every day. We share our success with them by providing competitive wages and benefits, and by being a good corporate citizen.

Third, for our INVESTORS, Blue Grass Manufacturing Company intends to provide a fair return. Among our investors, we include the shareholders, banks, suppliers, and all other entities that invest their money in our business to make it a success.

## All your processes in one place – turnkey operations.!
